Candy Bar Fundraiser

From **March 8 – 15**, we encourage families to consider preordering cases of chocolate bars, which then, in return they can re-sell to earn their money back. 1 case includes 60 bars. The cost per case is \$60 (\$1 per bar). There is no money due when you place the order ... payment is due on the delivery date.

Enrichment:

We will be offering a Physical Activity Enrichment Program called **Amazing Athletes** starting **April 2019**. We will send home registration forms this month, which you will have to complete and return if you would like your child to participate. There is also an option for online registration. The spring session is scheduled to start on Thursday, April 4 and take place weekly on Thursday afternoons.

Tuition Payments:

We are still experiencing some late payments. As per our tuition policy, a \$20 late fee will be assessed for any payments made after the due date. This will be strictly enforced! Also, please indicate your child's name on your check.
